RE: Docket Number E-01933A-12-0291

Dear Commissioner Stump and the Corporation Commission,

I'm a small business owner in the TEP service area, and I have to say that the elements take a toll on my budget. In the summer, my cooling bills make my margins lower than I would like. Weatherization and other programs, enabled through TEP's energy efficiency commitment, would be a benefit to my livelihood.

Please require TEP to meet the energy efficiency standard through the upcoming rate case.

Best regards,

Dana Pulsifer
